

This sub-granting scheme was implemented in the framework of the project **"Safety for Human Beings and Borders - Combating Migrant Smuggling in the Western Balkans"** supported by the European Commission

Developed in cooperation with Grupa 484, Civic Alliance (Montenegro), Macedonian Young Lawyers Association, Vasa Prava (Your Right) Bosnia and Herzegovina, Belgrade Center for Human Rights, Civil Rights Program/Kosovo, and Danish Refugee Council

Sub-grant implementing organization: **Shoqata "Multifunkzionale për Kulturë, Edukim dhe Zhvillim"**

Target Area: Gjirokastrë

Implementation period: August 2021-January 2022

The overall objective of the project is to contribute to the provision of psycho-social and legal services to 150 illegal migrants for a period of 6 months in order to prevent smuggling and respect their rights.

The specific objectives are:

1. To contribute through raising the awareness of and informing 150 migrants about the dangers and consequences that come from illegal migration, through the media.
2. Encourage inter-institutional response to provide effective services and case management through multifunctional roundtables
3. Provide psycho-social, legal and entertainment services in order to alleviate the traumas carried by women, children and people with disabilities.

The results that are intended to be achieved are:

- a) 3 roundtables to identify the needs of migrants, missing services and capacity building of human resources with representatives of the Municipality, media, Directorate of Migration and Border, DFS, CARITAS, Police Directorate.
- b) Production of 5 chronicles, 1 media campaign, 1 TV show and 2 migrant stories
- c) 400 leaflets in order to inform migrants on legal and psycho-social services
- d) 50 migrants supported through legal services
- e) 150 migrants supported with counseling service, psychological service assistance and in the development of various entertainment activities, sports games, etc.
